

Dino-Lite® Accessories

Dino-Lite® RK-06A Tabletop Stand

810-0208 - \$189.00

The Dino-Lite® RK-06A tabletop stand is designed for general purpose and built with quality. It is compatible with all Dino-Lite® handheld microscopes. With smooth focus adjustment and quick vertical movement and lateral movement, the RK-06A eases the task of focusing when using Dino-Lite® microscopes. Optional Pole RK-06-PL pole (810-0126) extends height an extra 11" (27cm).

XY Arm

810-0209 - \$99.00

The RK-10-PX is an optional XY positioning arm accessory for the RK-06A stand. The finely machined adjustment knobs on the RK-10-PX provide users with a 3cm x 3cm XY adjustment range. This type of positioning allows for precise movements when positioning the Dino-Lite® to a specific location or inspecting an area with magnification. The RK-06A stand is not included.

Dino-Lite® MS35B Stand

810-0091 - \$99.00

The Tabletop Stand (MS35B) is made of stainless steel and aluminum and features rigid design for unmatched stability and precision, 360° rotating slide assembly, & ball-and-socket microscope holster for an additional 45° lateral movement. Offers up to 8" working distance.

Optional Diffuser Set for Diamonds on the Dino-Lite® Edge Series Scopes

810-0207 - \$39.00

Diffuser set for diamond image capture with Dino-Lite® Edge Series Models. Includes 2 diffusers at different heights designed for viewing Diamonds. Easy to use, just Insert gently by placing the diffuser inside cap. Ensure diffuser is positioned straight to avoid blocking the LEDs. If the diffuser is too loose, place a 1mm or 1.5mm rubber spacer (included) over the recessed area around the edge of the diffuser. On the AM models, carefully remove by holding the clear plastic cap down with one hand, while gently twisting and pulling diffuser with the other hand.

Enclosed Light box

810-0121 - \$129.00

Photo box for premium image capture when lighting and color matters and is designed for image capture for numismatics and jewelry. Includes an 8" LED light bar (3750 LUX brightness & color temperature of 5500K).

Powered by an included 110V AC adapter, this photo box helps eliminate outside light pollution. Compatible with all Dino-Lite® Microscopes and the Dino-Lite® RK-06A (810-0208) Stand (allows you to place the Dino-Lite® outside of the box and view from the open slot). If you want a wider image or field of view use the optional RK-06-PL pole (810-0126).

Outer dimensions: 13"Wx9"D x9.25"H (310x230x 225mm) Some assembly required. One-year manufacturer's warranty. Made in China.

Shown with optional microscope and RK-06-PL pole sold separately

Wireless Connectivity

Dino-Lite® WF-20 Wireless Adapter

810-0235 - \$269.00

The WF-20 Connect allows AF models (wireless ready) to be used wirelessly in connection with an iOS (iPhone/iPad) or Android app on any tablet, smartphone, or even in the DinoCapture software for Windows computers.

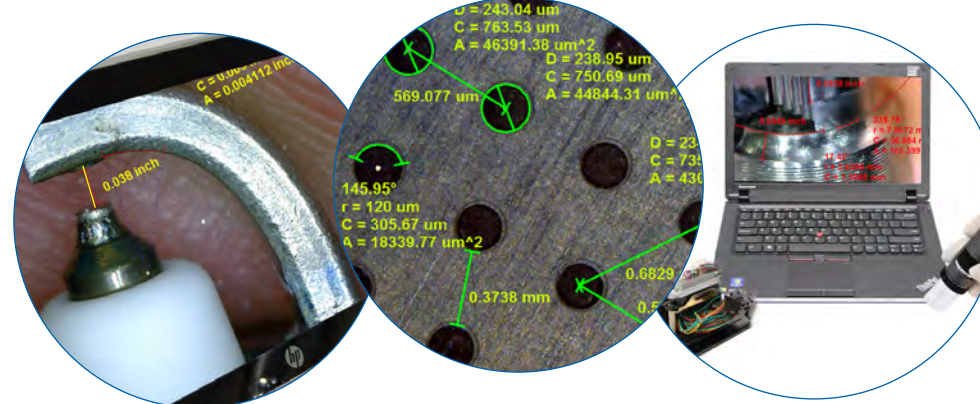

Microscope Shown with Wireless Adapter attached

FOR INDUSTRIAL USE

Measuring • Inspection • Quality Assurance

FOR JEWELRY USE

Jewelry Inspection • Examine Stones • Faster Appraisals
